

# Pearland Soccer Club & Shadow Creek Soccer Club Uniform Policy

Effective January 1, 2020

## Official Uniform Vendor:

Pearland Soccer Club's (PSC) official apparel and equipment is provided by Score Sports. This relationship is critical to achieving a professional appearance and the success of both on and off-site programs. As such, all uniforms, training gear, cold weather gear, bags and training equipment should be Score branded and teams shall wear club designated Score Sports uniforms exclusively--at all league, cup, and tournament games as detailed below.

## PSC practice shirts must be worn at all training sessions.

All spirit wear bearing the PSC logo or crest must be on Score Sports brand apparel and approved through the PSC Board of Directors. Exceptions shall be approved through PSC.

## Competitive Kit:

Upon selection to a competitive team, as one time courtesy PSC will supply the first uniform kit to the player at no additional cost. All additional kit pieces thereafter will be the responsibility of the player and can be purchased from the Score Sports Team Store (<https://pearland.scoresports.com>). Player will be responsible to cover the shipping costs based on method selected.

Fit: The competitive uniform is a custom athletic fit and does not conform to standard sizing (runs approximately 1 size smaller due to cut). Example, if your player wears a Youth Medium (YM) normally, he/she will more likely require a Youth Large (YL). Score Sports does NOT supply Youth XL as this size is comparable to an Adult Small (AS), thus the next size up from a YL is an AS. Please verify your fit with your coach or PSC representative as they will have demo uniforms available to try on.

Teams with players sharing time in the goal will receive a GK jersey with no numbering.
  - b) If a player wishes to change number (Ex. A number previously worn by another player becomes available), approval must be given by PSC and player will be responsible for cost of newly numbered kit.
  - c) In the event of duplicate player numbers on the same team due to team merger or player move, the player with the longest tenure per registration date will be allowed to retain the number if he so chooses.
  - d) All jerseys shall bear squad numbers on the center-back only; in a font and color designated by PSC.
- 7) Team/player names
  - a) At each team's discretion, the team nickname may be displayed across the back shoulder of the jersey in a font and color approved by PSC. This process shall be managed by a Coach or team representative and is external to the Score Sports supply process.
